## "What It Is (Block Boy) (Sped Up)"

What it is, ho? What's up?

Every good girl needs a little thug

Every block boy needs a little love

If he put it down, I'ma pick it up, up, up

Can't you see it's just me and you?

Panoramic view, that's my point of view, babe

All about me, that's the energy

That's that lemon pepper thing, I'm a ten-piece, baby

Bedroom bully in the bando

He gon' make it flip, do it with no handles

Never switchin' sides, only switchin' angles

Ooh, we go crazy like Rambo

What it is, ho? (What it is?) What's up? (What's up?)

Every good girl needs a little thug (thug)

Every block boy needs a little love (little love)

If he put it down, I'ma pick it up, up, up (hey, hey)

What it is, ho? (What it is?) What's up? (What's up?)

Every good girl needs a little thug (thug)

Every block boy needs a little love (little love)

If he put it down, I'ma pick it up, up, up (hey, hey)

Hit 'em up, hit 'em up in a truck

Got it tucked, he get it up like it's stuck

All night, I like

You ain't gotta say it when you know it's on sight

Bedroom bully in the bando

He gon' make it flip, do it with no handles

Never switchin' sides, only switchin' angles

Ooh, we go crazy like Rambo

What it is, ho? (What it is?) What's up? (What's up?)

Every good girl needs a little thug (thug)

Every block boy needs a little love (little love)

If he put it down, I'ma pick it up, up, up (hey, hey)

What it is, ho? (What it is?) What's up? (What's up?)

Every good girl needs a little thug (thug)

Every block boy needs a little love (little love)

If he put it down, I'ma pick it up, up, up (hey, hey)

I don't care if you run the streets

Long as you're comin' home to me

I love the way you walk and the way you speak

He gon' keep it real, that's the deal

That's the reason that I stay down, down (down, down, down, down)

I put that all on my name (all on my name)

Yeah, that's an even exchange (tell 'em what it is)

Stay on your tail, we gon' tell 'em, we gon' tell 'em what, babe?

What it is, ho? What's up? (What it is?)

Every good girl needs a little thug (needs a little thug)

Every block boy needs a little love (needs a little love, yeah)

If he put it down, I'ma pick it up, up, up

What it is, ho? What's up? (Oh, what's up?)

Every good girl needs a little thug (needs a little thug)

Every block boy needs a little love (little love)  
If he put it down, I'ma pick it up, up, up (hey, hey)

Back it up and do-do it like that, yeah (what it is? What's up?)

Back it up and do it like that, yeah (hey, yeah)

Back it up, back it, do it like that, yeah (yeah)

Back it up, gon' do it like that, yeah, woo (hey)

Hey, what it is? (Ay, what's up?)

J White did it (little thug)

More hits on the way, yeah (a lil' love)

We need a lil' love, you know I mean, woo (hey, hey, hey, hey)

Ride out, whoa
