"Without Me"

Obie Trice, real name no gimmicks

Two trailer park girls go round the outside

Round the outside, round the outside

Two trailer park girls go round the outside

Round the outside, round the outside

Guess who's back?

Back again

Shady's back

Tell a friend

Guess who's back? Guess who's back?

Guess who's back? Guess who's back?

Guess who's back? Guess who's back?

Guess who's back?

I've created a monster

'Cause nobody wants to see Marshall no more

They want Shady, I'm chopped liver

Well, if you want Shady, this is what I'll give ya

A little bit of weed mixed with some hard liquor

Some vodka that'll jump start my heart quicker

Than a shock when I get shocked at the hospital

By the doctor when I'm not co-operating

When I'm rockin' the table while he's operating

You waited this long, now stop debating

'Cause I'm back, I'm on the rag and ovulating

I know that you got a job, Ms. Cheney

But your husband's heart problem's complicating

So the FCC won't let me be

Or let me be me, so let me see

They try to shut me down on MTV

But it feels so empty, without me

So, come on and dip, bum on your lips

Fuck that, cum on your lips and some on your tits

And get ready, 'cause this is about to get heavy
I just settled all my lawsuits, fuck you, Debbie!

Now this looks like a job for me

So everybody, just follow me

'Cause we need a little, controversy

'Cause it feels so empty, without me

I said this looks like a job for me

So everybody, just follow me

'Cause we need a little, controversy

'Cause it feels so empty, without me

Little hellions, kids feelin' rebellious

Embarrassed their parents still listen to Elvis

They start feelin' like prisoners, helpless

'Til someone comes along on a mission and yells, "Bitch"

A visionary, vision of scary

Could start a revolution, pollutin' the airwaves

A rebel, so just let me revel and bask

In the fact that I got everyone kissin' my ass

And it's a disaster, such a catastrophe

For you to see so damn much of my ass, you asked for me?

Well, I'm back, da-na-na-na-na-na-na-na-na

Fix your bent antenna tune it in and then I'm gonna

Enter in, endin' up under your skin like a splinter

The center of attention, back for the winter

I'm interesting, the best thing since wrestling

Infesting, in your kid's ears and nesting

"Testing, attention, please"

Feel the tension, soon as someone mentions me

Here's my ten cents, my two cents is free

A nuisance, who sent? You sent for me?

Now this looks like a job for me

So everybody, just follow me

'Cause we need a little, controversy

'Cause it feels so empty, without me

I said, this looks like a job for me

So everybody, just follow me

'Cause we need a little, controversy

'Cause it feels so empty, without me

A-ticket a-tasket, I go tit for tat with
Anybody who's talkin' this shit that shit
Chris Kirkpatrick, you can get your ass kicked
Worse than them little Limp Bizkit bastards
And Moby? You can get stomped by Obie
You 36-year-old bald headed fag, blow me
You don't know me, you're too old, let go
It's over, nobody listen to techno

Now let's go, just gimme the signal
I'll be there with a whole list full of new insults
I been dope, suspenseful with a pencil
Ever since Prince turned himself into a symbol
But sometimes the shit just seems
Everybody only wants to discuss me
So this must mean I'm disgusting
But it's just me, I'm just obscene

No, I'm not the first king of controversy
I am the worst thing since Elvis Presley
To do Black music so selfishly
And used it to get myself wealthy (hey)
There's a concept that works

20 million other white rappers emerge
But no matter how many fish in the sea
It'll be so empty, without me

Now this looks like a job for me
So everybody, just follow me
'Cause we need a little, controversy
'Cause it feels so empty without me
I said this looks like a job for me
So everybody, just follow me
'Cause we need a little, controversy
'Cause it feels so empty without me

Kids!
