You a pussy with some discharge, we call 'em cottage cheese

Can't afford it? Better take some (better take one)  
All lives matter, I take one (I take some)  
Call me, "Booty, " I shake some (I make it clap)  
No homo, none taken (none taken)  
Fuck all the opps, no latex (no rubber)  
Make the K bust, that's great sex (no brothers)  
Face shot, give him a taste test (brtt)  
Yeah, Motorollas servin' fiends, yeah (fiends, yeah)
