## "A Million Dreams"

I close my eyes and I can see

The world that's waiting up for me

That I call my own

Through the dark, through the door

Through where no one's been before

But it feels like home

They can say, they can say it all sounds crazy

They can say, they can say I've lost my mind

I don't care, I don't care, so call me crazy

We can live in a world that we design

'Cause every night I lie in bed

The brightest colours fill my head

A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
Oh a million dreams for the world we're gonna make

There's a house we can build  
Every room inside is filled  
With things from far away  
The special things I compile  
Each one there to make you smile  
On a rainy day

They can say, they can say it all sounds crazy  
They can say, they can say we've lost our minds  
I don't care, I don't care if they call us crazy  
Runaway to a world that we design

Every night I lie in bed  
The brightest colours fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see

A million dreams is all it's gonna take  
Oh a million dreams for the world we're gonna make

However big, however small

Let me be part of it all

Share your dreams with me

You may be right, you may be wrong

But say that you'll bring me along

To the world you see

To the world I close my eyes to see

I close my eyes to see

Every night I lie in bed

The brightest colours fill my head

A million dreams are keeping me awake

A million dreams, a million dreams

I think of what the world could be

A vision of the one I see

A million dreams is all it's gonna take

A million dreams for the world we're gonna make

For the world we're gonna make
