"Across the Universe"

Words are flowing out like endless rain into a paper cup

They slither wildly as they slip away across the universe

Pools of sorrow, waves of joy are drifting through my opened mind

Possessing and caressing me

Jai guru deva, om

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Images of broken light which dance before me like a million eyes

They call me on and on across the universe

Thoughts meander like a restless wind inside a letterbox they

They tumble blindly as they make their way across the universe

Jai guru deva, om

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Sounds of laughter shades of life are ringing

Through my open ears inciting and inviting me

Limitless undying love which shines around me like a million suns

It calls me on and on across the universe

Jai guru deva, om

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Jai guru deva

Jai guru deva

Jai guru deva

Jai guru deva

Jai guru deva

Jai guru deva
