"Angel Baby"

I need a lover to keep me sane
Pull me from hell, bring me back again

Play me the classics
Something romantic
Give him my all when I don't even have it

I always dreamed of a solemn face
Someone who feels like a holiday
But now I'm in pieces
Barely believing
Starting to think that I've lost all feeling

You came out the blue on a rainy night
No lie

I'll tell you how I almost died
While you're bringing me back to life

I just wanna live in this moment forever
'Cause I'm afraid that living couldn't get any better
Started giving up on the word "forever"
Until you gave up heaven, so we could be together

You're my angel
Angel baby, angel
You're my angel, baby
Baby, you're my angel
Angel baby

I fall in love with the little things
Counting the tattoos on your skin
Tell me a secret
And baby, I'll keep it
And maybe we could play house for the weekend

You came out the blue on a rainy night

No lie

I'll tell you how I almost died
While you're bringing me back to life

I just wanna live in this moment forever

'Cause I'm afraid that living couldn't get any better

Started giving up on the word "forever"

Until you gave up heaven, so we could be together

You're my angel

Angel baby, angel

You're my angel, baby

Baby, you're my angel

Angel baby

All the sick and twisted nights that I've been waiting for ya

They were worth it all along, yeah

I just wanna live in this moment forever

'Cause I'm afraid that living couldn't get any better

Started giving up on the word "forever" (on the word "forever")

Until you gave up heaven, so we could be together

You're my angel

Angel baby, angel

You're my angel, baby

Baby, you're my angel

Angel baby

Angel

Angel baby, angel (you're my angel, baby)

You're my angel, baby (you're my angel, baby)

Baby, you're my angel

Angel baby
