"Black Magic"

All the girls on the block knocking at my door
Wanna know what it is, make the boys want more

Is your lover

Playing on your side?

Said he loves you

But he ain't got time

Here's the answer

Come and get it

At a knocked down price

Full of honey

Just to make him sweet

Crystal balling

Just to help him see

What he's been missing

So come and get it

While you've still got time

Get your boy on his knees

And repeat after me, say
Take a sip of my secret potion
I'll make you fall in love
For a spell that can't be broken
One drop should be enough
Boy, you belong to me
I got the recipe and it's called Black Magic
(And it's called Black Magic)
Take a sip of my secret potion
One taste and you'll be mine
It's a spell that can't be broken
And'll keep you up all night
Boy, you belong to me
I got the recipe and it's called Black Magic
(And it's called Black Magic)
If you're lookin'
For Mr. Right
Need that magic
To change him over night
Here's the answer
Come and get it
While you've still got time
Get your boy on his knees

And repeat after me, say, Oh

Take a sip of my secret potion

I'll make you fall in love (Fall in love)

For a spell that can't be broken (Broken)

One drop should be enough (Ooh)

Boy, you belong to me

It's a spell that can't be broken

And'll keep you up all night (All night)
