## "Drops of Jupiter (Tell Me)"

Now that she's back in the atmosphere

With drops of Jupiter in her hair

She acts like summer and walks like rain

Reminds me that there's a time to change, hey

Since the return of her stay on the moon

She listens like spring and she talks like June, hey

Hey, hey, yeah

But tell me, did you sail across the sun?

Did you make it to the Milky Way to see the lights all faded

And that Heaven is overrated?

And tell me, did you fall for a shooting star?

One without a permanent scar, and did you miss me

While you were looking for yourself out there?

Now that she's back from that soul vacation  
Tracing her way through the constellation, hey, mmm

She checks out Mozart while she does Tae-Bo  
Reminds me that there's a room to grow, hey, yeah

Now that she's back in the atmosphere  
I'm afraid that she might think of me as  
Plain ol' Jane told a story about a man  
Who was too afraid to fly, so he never did land

But tell me, did the wind sweep you off your feet?  
Did you finally get the chance to dance along the light of day

And head back to the Milky Way?

And tell me, did Venus blow your mind?

Was it everything you wanted to find, and did you miss me

While you were looking for yourself out there?

Can you imagine no love, pride, deep-fried chicken

Your best friend always sticking up for you

Even when I know you're wrong?

Can you imagine no first dance, freeze-dried romance

Five hour phone conversation

The best soy latte that you ever had, and me?

But tell me, did the wind sweep you off your feet?

Did you finally get the chance to dance along the light of day

And head back toward the Milky Way?

And tell me, did you sail across the sun?

Did you make it to the Milky Way to see the lights all faded

And that Heaven is overrated?

And tell me, did you fall for a shooting star?

One without a permanent scar, and then you miss me

While you were looking for yourself?

Na-na, na-na, na-na

Na-na, na-na, na-na, na, na

And did you finally get the chance

To dance along the light of day?

Na-na, na-na, na-na

Na-na, na-na, na-na, na, na

And did you fall for a shooting star?

Fall for a shooting star?

Na-na, na-na, na-na

Na-na, na-na, na-na, na, na

And are you lonely looking for yourself out there?
