"Drowning"

I'm drownin'

I'm drownin'

I'm drownin'

I'm drownin'

Wrist so icy, wonder why she like me, bitch I'm drownin'

In water, I just bought a Cuban, dipped it in the fountain

Everywhere that I go it's a light show, I'm surrounded

Bust down, bust down, bust down, bust down, bust down, bitch I'm drownin'

I just bought a Cuban ring and dipped it in the fountain

Chain so heavy I feel like I'm holdin' up a mountain

Everywhere that I go it's a light show, I'm surrounded

Bust down, bust down, bust down, bust down, bust down, bitch I'm drownin'

I'm with all my niggas, I don't go nowhere without 'em

If they don't let us in they might throw shots at the bouncer

Actavis medicine, got it straight from out the doctor's

I'm with RJ but I call him Wayne 'cause he's a shotta

Pick up the ladder, put it in the gun, make the .9 stretch

Niggas with attitude, but we come straight out of Highbridge

I'm gon' make her panties wet when she see the way I flex

I'm gon' win a Grammy, move my family out the projects

We went from chillin' in the projects to makin' projects

We was tryna get to the top, and they tried to stop us

I talk for myself, bitch I don't need no fucking voucher

She looked at my wrist and she looked at a hundred thousand

Wrist so icy, wonder why she like me, bitch I'm drownin'

In water, I just bought a Cuban, dipped it in the fountain

Everywhere that I go it's a light show, I'm surrounded

Bust down, bust down, bust down, bust down, bust down, bitch I'm drownin'

I just bought a Cuban ring and dipped it in the fountain

Chain so heavy I feel like I'm holdin' up a mountain

Everywhere that I go it's a light show, I'm surrounded

Bust down, bust down, bust down, bust down, bust down, bitch I'm drownin'

Just bought a brand new chain from Avianne

Nigga with attitude but I ain't from Compton

Lil Kodak, bitch, I'm Polo'd down like Carlton

Sniper Gang, I put a nigga on a carton

I'm the shit I'm fartin', I don't know how to potty

Pull up in a 'Rari, I'm in the Yo like Gotti

A Boogie, I'm goin' Scottie, nigga drop my deposit

I ain't Jamaican, bitch, I'm Haitian, but I got them shottas

Harley Davidson, every day I'm ridin' with the chopper

They hatin', I know they don't wanna see a nigga prosper

I ain't doin' trims, I'm in the cut like I'm a barber

She call me daddy, but I ain't her motherfuckin' father

Wrist so icy, wonder why she like me, bitch I'm drownin'

In water, I just bought a Cuban, dipped it in the fountain

Everywhere that I go it's a light show, I'm surrounded

Bust down, bust down, bust down, bust down, bust down, bitch I'm drownin'

I just bought a Cuban ring and dipped it in the fountain

Chain so heavy I feel like I'm holdin' up a mountain

Everywhere that I go it's a light show, I'm surrounded

Bust down, bust down, bust down, bust down, bust down, bitch I'm drownin'

Bitch, I'm drownin'

Bitch, I'm drownin'

Drownin'

Drownin'

Drownin'
