## "Flashing Lights"

Flashing lights (lights, lights)

Flashing lights (lights, lights)

Flashing lights (lights, lights)

Flashing lights (lights, lights)

She don't believe in shooting stars

But she believe in shoes and cars

Wood floors in the new apartment

Couture from the store's department

You more like "love to start shit"

I'm more of the, trips to Florida

Ordered the hors d'oeuvres, views of the water

Straight from the page of your favorite author

And the weather so breezy

Man, why can't life always be this easy

She in the mirror dancing so sleazy

I get a call like, "Where are you Yeezy?"

And try to hit you with the ol-wu-wopte

'Til I got flashed by the paparazzi

Damn, these niggas got me

I hate these niggas more than a Nazi

As I recall, I know you love to show off

But I never thought that you would take it this far

But what do I know?

Flashing lights (lights, light)

What do I know?

Flashing lights (lights, lights)

I know it's been a while, sweetheart

We hardly talk, I was doing my thing

I know I was foul, baby

Ayy, babe, lately, you've been all on my brain

And if somebody would've told me a month ago

Fronting though, yo, I wouldn't wanna know

If somebody would've told me a year ago

It'll go get this difficult

Feeling like Katrina with no FEMA

Like Martin with no Gina

Like a flight with no Visa

First class with the seat back, I still see ya

In my past, you on the other side of the glass

Of my memory's museum

I'm just saying, hey, Mona Lisa

Come home, you know you can't roam without Caesar

As I recall, I know you love to show off

But I never thought that you would take it this far

But what do I know?

Flashing lights (lights, lights)

What do I know?

Flashing lights (lights, lights)

As you recall, you know I love to show off

But you never thought that I would take it this far

But what do you know?

Flashing lights (lights, lights)

What do you know?

Flashing lights (lights, lights)

Flashing lights (lights, lights)

Flashing lights
