"Ghost"

Youngblood thinks there's always tomorrow
I miss your touch on nights when I'm hollow
I know you crossed a bridge that I can't follow

Since the love that you left is all that I get
I want you to know

That if I can't be close to you
I'll settle for the ghost of you
I miss you more than life (more than life)

And if you can't be next to me

Your memory is ecstasy

I miss you more than life

I miss you more than life

Youngblood thinks there's always tomorrow (woo)

I need more time but time can't be borrowed
I'd leave it all behind if I could follow

Since the love that you left is all that I get
I want you to know

That if I can't be close to you
I'll settle for the ghost of you
I miss you more than life (more than life), yeah
And if you can't be next to me
Your memory is ecstasy (oh)
I miss you more than life
I miss you more than life

Whoa

Na, na-na

More than life

Oh

So if I can't get close to you
I'll settle for the ghost of you
But I miss you more than life
And if you can't be next to me

Your memory is ecstasy

I miss you more than life

I miss you more than life
