"God Bless America"

God bless America, land that I love

Stand beside her and guide her

Through the night with the light from above

From the mountains to the prairies

To the oceans white with foam

God bless America, my home sweet home

God bless America, land that I love

Stand beside her and guide her

Through the night with the light from above

From the mountains to the prairies

To the oceans white with foam

God bless America, my home sweet home

From the mountains to the prairies

To the oceans white with foam

God bless America, my home sweet home

God bless America, my home sweet home
