"HEARTBREAK ANNIVERSARY"

Ooh

Balloons are deflated

Guess they look lifeless like me

We miss you on your side of the bed, mmm

Still got your things here

And they stare at me like souvenirs

Don't wanna let you out my head

Just like the day that I met you

The day I thought forever

Said that you love me

But that'll last for never

It's cold outside

Like when you walked out my life

Why you walk out my life?

I get like this every time

On these days that feel like you and me

Heartbreak anniversary

'Cause I remember every time

On these days that feel like you and me

Heartbreak anniversary

Do you ever think of me?

no

(Ooh) no-no, no

(Ooh, ooh, ooh) ooh, nah

I'm buildin' my hopes up

Like presents unopened 'til this day

I still see the messages you read, mmm

I'm foolishly patient

(Foolishly patient)

Can't get past the taste of your lips

(Taste of your lips)

Don't wanna let you out my head

Just like the day that I met you

The day I thought forever

Said that you love me

But that'll last for never

It's cold outside

Like when you walked out my life

Why you walk out my life? (My life)

I get like this every time

On these days that feel like you and me

Heartbreak anniversary

'Cause I remember every time

On these days that feel like you and me

Heartbreak anniversary

Do you ever think of me?

of me

'Cause I think of you, think of you
