If We Ever Broke Up - Mae Stephens Lyrics

"If We Ever Broke Up"

If you keep wondering

If somebody understands

Darling, I don't understand you

If you stay awake at night

Waiting for somebody right

Baby, oh, your karma is due

Like, I would never hate you

But only if you want to

So much time, like who knew? (Like who knew?)

Music we got into

Songs we fell in love to

Boy, this feels so wrong too (ah-ah-ah)

If we ever broke up, I'd never be sad

Thinking 'bout everything that we had

If we ever broke up

If we ever broke up, I'd call your dad

And tell him all the shittiest of things you said

If we ever broke up

Boy, don't get emotional

'Cause it's not personal

It's just the way, just the way it goes

If we ever broke up, I'd never be sad

Thinking 'bout everything that we had

If we ever broke up

You're living in Wonderland

If you think I'll understand

All the shit you put me through

If girls in white dresses and big winter weddings

Is something you want to be true

Then pack up your drama

This selfish dilemma

Is something this shit can't undo

Like, I would never hate you

But only if you want to

So much time like, who knew? Woah-oh

If we ever broke up, I'd never be sad

Thinking 'bout everything I thought we had

If we ever broke up

If we ever broke up, I'd call your dad

And tell him all the shittiest of things you've said

If we ever broke up

Boy, don't get emotional

'Cause it's not personal

It's just the way, just the way it goes

If we ever broke up, I'd never be sad

Thinking 'bout everything that we had

If we ever broke up (hahaha)
