"Lavender Haze"

Meet me at midnight

Starin' at the ceilin' with you

Oh, you don't ever say too much

And you don't really read into

My melancholia

I've been under scrutiny (yeah, oh, yeah)

You handle it beautifully (yeah, oh, yeah)

All this shit is new to me (yeah, oh, yeah)

I feel the lavender haze creepin' up on me

Surreal, I'm damned if I do give a damn what people say

No deal, the 1950s shit they want from me

I just wanna stay in that lavender haze

All they keep askin' me (all they keep askin' me)

Is if I'm gonna be your bride

The only kind of girl they see (only kind of girl they see)

Is a one-night or a wife

I find it dizzying (yeah, oh, yeah)

They're bringin' up my history (yeah, oh, yeah)

But you aren't even listening (yeah, oh, yeah)

(Ooh-whoa)

I feel the lavender haze creepin' up on me

Surreal, I'm damned if I do give a damn what people say

No deal, the 1950s shit they want from me

I just wanna stay in that lavender haze

That lavender haze

Talk your talk and go viral

I just need this love spiral

Get it off your chest

Get it off my desk (get it off my desk)

Talk your talk and go viral

I just need this love spiral

Get it off your chest

Get it off my desk

(Ooh-whoa)

I feel (I feel) the lavender haze creepin' up on me

Surreal, I'm damned if I do give a damn what people say (oh, yeah)

No deal (no deal), the 1950s shit they want from me

I just wanna stay in that lavender haze

Get it off your chest

Get it off my desk

That lavender haze, I just wanna stay

I just wanna stay in that lavender haze
