## "Lionheart (Fearless)"

Heart, heart, heart, heart

Heart, heart

Li-lionheart

To be fearless like a lionheart (heart, heart, heart, heart)

And I feel it in my blood (blood, blood, blood, blood)

Like the stars that illuminate the sky

There's a fire in my lungs burning tonight

And I'm fearless like a lionheart (heart, heart)

(Li-lionheart)

Li-lionheart

Oh, I look in the mirror

Teardrops in my eyes

Makes it hard to see clearer

Looking for a sign tonight

I wanna know

I wanna know

I wanna know what it feels like

To wake up like a giant

I wanna know what it feels like

To be fearless like a lionheart (heart, heart, heart, heart)

And I feel it in my blood (blood, blood, blood, blood)

Like the stars that illuminate the sky

There's a fire in my lungs burning tonight

And I'm fearless like a lionheart (heart, heart)

(Li-lionheart)

Li-lionheart

I can feel it

(Heart, heart, heart, heart)

I can feel it

(Heart, heart, heart, heart)

I can feel it

(Heart, heart, heart, heart)

I can feel it

(Heart, heart)

Li-lionheart

To be fearless like a lionheart (heart, heart, heart, heart)

And I feel it in my blood (blood, blood, blood, blood)

Like the stars that illuminate the sky

There's a fire in my lungs burning tonight  
And I'm fearless like a lionheart (heart, heart)  
(Li-lionheart)
