"Material Girl"

Some boys kiss me

Some boys hug me

I think they're ok

If they don't give me proper credit

I just walk away

They can beg and they can plead

But they can't see the light (that's right)

'Cause the boy with the cold hard cash

Is always Mister Right

'Cause we are living in a material world

And I am a material girl

You know that we are living in a material world

And I am a material girl

Some boys romance
Some boys slow dance
That's all right with me
If they can't raise my interest then I
Have to let them be

Some boys try and some boys lie but
I don't let them play (no way)
Only boys who save their pennies
Make my rainy day

'Cause we're living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl
Living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

Living in a material world (material)

Living in a material world

Living in a material world (material)

Living in a material world

Boys may come and boys may go

And that's all right you see

Experience has made me rich

And now they're after me

'Cause everybody's living in a material world

And I am a material girl

You know that we are living in a material world

And I am a material girl

Living in a material world

And I am a material girl

You know that we are living in a material world

And I am a material girl

A material, a material, a material, a material world

Living in a material world (material)

Living in a material world

Living in a material world (material)

Living in a material world

Living in a material world (material)

Living in a material world

Living in a material world (material)

Living in a material
