"Mood (Remix)"

Woah

JB, JB

Why you always in a mood?

Fuckin' 'round, actin' brand new

I ain't tryna tell you what to do

But try to play it cool

Baby, I ain't playing by your rules

Everything look better with a view

Why you always in a mood?

Fuckin' 'round, actin' brand new

I ain't tryna tell you what to do

But try to play it cool

Baby, I ain't playing by your rules

Everything look better with a view, yeah

You've been in a mood, you've been givin' hella attitude

What I gotta do to get through to ya? Could never lose you

Maybe spend a night out on the town like we used to

We could sit around, watch funny shit on YouTube

I know at times I can have a couple screws loose

I'm tryna connect to your body, girl, like it's Bluetooth

You know what I mean, you know what I need

We play games of love to avoid the depression

We've been here before and I won't be your victim

Why you always in a mood?

Fuckin' 'round, actin' brand new

I ain't tryna tell you what to do, but try to play it cool

Baby, I ain't playing by your rules

Everything look better with a view

Why you always in a mood?

Fuckin' 'round, actin' brand new

I ain't tryna tell you what to do, but try to play it cool

Baby, I ain't playing by your rules

Everything look better with a view, yeah

Yeah, I got JB and JB, you know the bitches goin' crazy

Number one song in the world, so now she wanna date me

Where I'm from people like me don't make it in the mainstream

What's with the attitude? Baby, tell me why you hating

We fuss and fight, you get into moods

Argue all night, what we supposed to do?
Can't make things right, so I'm on the move
Guess it's safe to say
We play games of love to avoid the depression
We've been here before and I won't be your victim

Why you always in a mood?
Fuckin' 'round, actin' brand new
I ain't tryna tell you what to do
But try to play it cool
Baby, I ain't playing by your rules
Everything look better with a view

Why you always in a mood?
Fuckin' 'round, actin' brand new
I ain't tryna tell you what to do
But try to play it cool
Baby, I ain't playing by your rules

Everything look better with a view, yeah (Latino gang, J Balvin, man)

Baby, ya estoy cansado de tu bipolaridad, yah-yah-yeah

Deja ya de estar peleando sin una necesidad

Valórame bebé, yo

Con ese humor nadie te aguantará

¿Quién te entiende? Si conmigo no te falta na'

Cógela suave, ma', porque esta bomba explotará

Si te saco el genio no vuelvo a frotar tu lámpara

Y listo, te dejé en visto

Pero fue porque estaba grabando mi disco

Y tú pensando que yo estaba en la disco

Deja de pelear, que la pasamos más rico

Why you always in a mood?

Fuckin' 'round, actin' brand new

I ain't tryna tell you what to do

But try to play it cool

Baby, I ain't playing by your rules

Everything look better with a view

Why you always in a mood?

Fuckin' 'round, actin' brand new

I ain't tryna tell you what to do

But try to play it cool

Baby, I ain't playing by your rules

Everything look better with a view, yeah
