## "Perfect Day"

Sun's up

It's a little after 12

Make breakfast for myself

Leave the work for someone else

People say

They say that it's just a phase

They tell me to act my age

Well, I am!

On this perfect day

Nothing's standing in my way

On this perfect day

When nothing can go wrong

It's the perfect day

Tomorrow's gonna come too soon

I could stay

Forever as I am

On this perfect day

Sun's down  
A little after ten  
I pick up all my friends  
In my Mercedes-Benz  
Wake up!  
Don't tell me it's just a dream  
'Cause when I've had enough, you'll hear me say  
Now don't you try to rain on my  
Perfect day  
Nothing's standing in my way  
On this perfect day  
When nothing can go wrong  
It's the perfect day  
Tomorrow's gonna come too soon  
I could stay  
Forever as I am  
On this perfect day  
I'm in the race but I already won  
And getting there can be half the fun  
So don't stop me 'til I'm good and done  
Don't you try to rain on my  
Perfect day (perfect day)  
It's the perfect day

It's the perfect day  
Nothing's gonna bring me down  
I could stay  
Forever as I am  
On this perfect day  
Nothing's standing in my way  
On this perfect day  
Nothing can go wrong  
I'm in the race but I already won  
And getting there can be half the fun  
So don't stop me 'til I'm good and done  
Don't you try to rain on my  
Perfect day  
On this perfect day  
On this perfect day
