## "Right Now"

She clings to me like cellophane

Fake plastic submarine

Slowly driving me insane

But now that's over

So, what if the sex was great?

Just a temporary escape

Another thing I grew to hate

But now that's over

Why, why do you always kick me when I'm high?

Knock me down 'til we see eye to eye

Figured her out I know she

May not be Miss Right, she'll do right now

She'll do right now

I used to hang on every word

Each lie was more absurd

Kept me so insecure

But now that's over

She taught me how to trust  
And to believe in us  
And then she taught me how to cuss  
That bitch, it's over  
You know I used to be such a nice boy  
Why, why do you always kick me when I'm high?  
Knock me down 'til we see eye to eye  
Figured her out I know she  
May not be Miss Right, she'll do right now  
She clings to me like cellophane  
Fake plastic submarine  
She's driving me insane  
But now that's over (now that's over)  
Why, why do you always kick me when I'm high?  
Knock me down 'til we see eye to eye  
Figured her out I know she  
May not be Miss Right, she'll do right now  
She'll do right now  
Right now, oh  
Right now
