"Semi-Charmed Life"

Doo doo doo, doo doo-doo doo

Doo doo doo, doo doo-doo doo

Doo doo doo, doo doo-doo doo

Doo doo doo

I'm packed and I'm holding

I'm smiling, she's living, she's golden

She lives for me, says she lives for me

Ovation, her own motivation

She comes round and she goes down on me

And I make you smile, like a drug for you

Do ever what you wanna do, coming over you

Keep on smiling, what we go through

One stop to the rhythm that divides you

And I speak to you like the chorus to the verse

Chop another line like a coda with a curse

Come on like a freak show takes the stage

We give them the games we play, she said

I want something else to get me through this

Semi-charmed kinda life, baby, baby

I want something else, I'm not listening when you say good-bye

Doo doo doo, doo doo-doo doo

Doo doo doo, doo doo-doo doo

Doo doo doo, doo doo-doo doo

Doo doo doo

The sky was gold, it was rose

I was taking sips of it through my nose

And I wish I could get back there, someplace back there

Smiling in the pictures you would take

Doing crystal meth, will lift you up until you break

It won't stop, I won't come down

I keep stock with a tick-tock rhythm, a bump for the drop

And then I bumped up, I took the hit that I was given

Then I bumped again, then I bumped again

I said

How do I get back there to the place where I fell asleep inside you

How do I get myself back to the place where you said

I want something else to get me through this

Semi-charmed kinda life, baby, baby

I want something else, I'm not listening when you say good-bye

I believe in the sand beneath my toes

The beach gives a feeling, an earthy feeling

I believe in the faith that grows

And that four right chords can make me cry

When I'm with you I feel like I could die

And that would be alright, alright

And when the plane came in, she said she was crashing

The velvet it rips in the city, we tripped on the urge to feel alive

Now I'm struggling to survive

Those days you were wearing that velvet dress

You're the priestess, I must confess

Those little red panties they pass the test
Slides up around the belly, face down on the mattress

One

And you hold me, and we are broken
Still it's all that I wanna do, just a little now
Feel myself, heading off the ground
I'm scared, I'm not coming down

No, no

And I won't run for my life
She's got her jaws now locked down in a smile
But nothing is alright, alright

And I want something else to get me through this life

Baby, I want something else
Not listening when you say
Goodbye, goodbye, goodbye, goodbye

Doo doo doo, doo doo-doo doo

Doo doo doo, doo doo-doo doo

Doo doo doo, doo doo-doo doo

The sky was gold, it was rose

I was taking sips of it through my nose
And I wish I could get back there
Someplace back there, in the place we used to start

Doo doo doo, doo doo-doo doo

Doo doo doo, doo doo-doo doo

I want something else
