### "Shape of My Heart"

Yeah, yeah

Baby, please try to forgive me

Stay here don't put out the glow

Hold me now don't bother

If every minute it makes me weaker

You can save me from the man that I've become, oh yeah

Looking back on the things I've done

I was trying to be someone

I played my part, kept you in the dark

Now let me show you the shape of my heart

Sadness is beautiful, loneliness that's tragical

So help me I can't win this war, oh no

Touch me now, don't bother

If every second it makes me weaker

You can save me from the man I've become

Looking back on the things I've done  
I was trying to be someone (trying)  
I played my part, kept you in the dark (in the dark)  
Now let me show you the shape of my heart  
I'm here with my confession  
Got nothing to hide no more  
I don't know where to start  
But to show you the shape of my heart  
I'm lookin' back on things I've done  
I never wanna play the same old part  
I'll keep you in the dark (keep you in the dark)  
Now let me show you the shape of my heart  
Looking back on the things I've done  
I was trying to be someone (trying to be someone)  
I played my part, kept you in the dark  
Now let me show you the shape of my heart (now let me show you the  
shape of my heart)  
Looking back on the things I've done  
I was trying to be someone  
I played my part, kept you in the dark  
Now let me show you the shape of  
Show you the shape of my heart
