## "Simple Kind of Life"

For a long time I was in love  
Not only in love, I was obsessed  
With a friendship that no one else could touch  
It didn't work out, I'm covered in shells  
And all I wanted was the simple things  
A simple kind of life  
And all I needed was a simple man  
So I could be the wife  
I'm so ashamed, I've been so mean  
I don't know how it got to this point  
Oh, I always was the one with all love  
You came along, I'm hunting you down  
Like a sick domestic abuser  
Looking for a fight  
And all I wanted was the simple things  
A simple kind of life  
If we met tomorrow for the very first time

Would it start all over again? Would I try to make you mine?

I always thought, I'd be a mom

Sometimes I wish for a mistake

The longer that I wait, the more selfish that I get

You seem like you'd be a good dad

Now all those simple things are simply too complicated for my life

In all I get so faithful to my freedom

A selfish kind of life

When all I ever wanted was the simple things

A simple kind of life

A simple kind of life

A simple kind of life

A simple kind of life
