"Somebody That I Used to Know"

Now and then I think of when we were together
Like when you said you felt so happy you could die
Told myself that you were right for me
But felt so lonely in your company
But that was love and it's an ache I still remember

You can get addicted to a certain kind of sadness
Like resignation to the end, always the end
So when we found that we could not make sense
Well you said that we would still be friends
But I'll admit that I was glad it was over

But you didn't have to cut me off
Make out like it never happened and that we were nothing
And I don't even need your love

But you treat me like a stranger and that feels so rough

No, you didn't have to stoop so low

Have your friends collect your records and then change your number

I guess that I don't need that though

Now you're just somebody that I used to know

Now you're just somebody that I used to know

Now you're just somebody that I used to know

Now and then I think of all the times you screwed me over

But had me believing it was always something that I'd done

But I don't wanna live that way

Reading into every word you say

You said that you could let it go

And I wouldn't catch you hung up on somebody that you used to know

But you didn't have to cut me off

Make out like it never happened and that we were nothing

And I don't even need your love

But you treat me like a stranger and that feels so rough

No, you didn't have to stoop so low

Have your friends collect your records and then change your number

I guess that I don't need that though

Now you're just somebody that I used to know

Somebody (I used to know)

(Somebody) Now you're just somebody that I used to know

Somebody (I used to know)

(Somebody) Now you're just somebody that I used to know

I used to know, that I used to know, I used to know somebody
