"The Rock Show"

Hanging out behind the club on the weekends
Acting stupid, getting drunk with my best friends
I couldn't wait for the summer and the Warped Tour
I remember it's the first time that I saw her there
She's getting kicked out of school 'cause she's failing
I'm kinda nervous, 'cause I think all her friends hate me
She's the one, she'll always be there
She took my hand and I made it, I swear
Because I fell in love with the girl at the rock show
She said, "What?", and I told her that I didn't know
She's so cool, gonna sneak in through her window
Everything's better when she's around
I can't wait 'til her parents go out of town
I fell in love with the girl at the rock show
When we said we were gonna move to Vegas
I remember the look her mother gave us
17 without a purpose or direction

We don't owe anyone a fuckin' explanation

I fell in love with the girl at the rock show

She said, "What?" and I told her that I didn't know

She's so cool, gonna sneak in through her window

Everything's better when she's around

I can't wait 'til her parents go out of town

I fell in love with the girl at the rock show

Black and white picture of her on my wall

I waited for her call, she always kept me waiting

And if I ever got another chance, I'd still ask her to dance

Because she kept me waiting

I fell in love with the girl at the rock show

She said, "What?", and I told her that I didn't know

She's so cool, gonna sneak in through her window

Everything's better when she's around

I can't wait 'til her parents go out of town

I fell in love with the girl at the rock show

With the girl at the rock show

With the girl at the rock show

(I'll never forget tonight) with the girl at the rock show

(I'll never forget tonight) with the girl at the rock show

(I'll never forget tonight) with the girl at the rock show

(I'll never forget tonight) with the girl at the rock show

(I'll never forget tonight) with the girl at the rock show
(I'll never forget tonight) with the girl at the rock show...
