## "Time After Time"

Lying in my bed, I hear the clock tick and think of you

Caught up in circles

Confusion is nothing new

Flashback, warm nights

Almost left behind

Suitcase of memories

Time after

Sometimes you picture me

I'm walking too far ahead

You're calling to me, I can't hear

What you've said

Then you say, "go slow"

And I fall behind

The second hand unwinds

If you're lost you can look and you will find me

Time after time

If you fall, I will catch you, I'll be waiting

Time after time

If you're lost, you can look and you will find me

Time after time

If you fall, I will catch you, I will be waiting

Time after time

After my picture fades and darkness has

Turned to gray

Watching through windows

You're wondering if I'm okay

Secrets stolen from deep inside (deep inside)

And the drum beats out of time

If you're lost you can look and you will find me

Time after time

If you fall I will catch you, I'll be waiting

Time after time

If you're lost, you can look and you will find me

Time after time

If you fall, I will catch you, I will be waiting

Time after time

Time after time

I've got a suitcase of memories that I almost left behind

Time after time

Time, time, time

But you say to go slow but I fall behind

Time after time after time (after time, oh)
