"Up"

Once upon a time, there was a girl who made a wish

To find herself a love and finally make a switch

Then you came around, you healed another stitch

And I'm glad about that, I can finally make the switch

And I know, yeah, I know

Many would like to be in my shoes

And I know, yeah, I know

With you, I got nothin' to lose

When I'm down, you can bring me up

Up-p-p, up-p-p, up-p-p, up-p-p

And when I'm hurt, you know I don't need much

You can use that magic touch

When I'm down, you can bring me up

Up-p-p, up-p-p, up-p-p, up-p-p

And when I'm hurt, you know I don't need much

You can use that magic touch

You can use that magic touch

You can use that magic touch

Baby girl, it insane that you feel all di pain

And you feel all di mental drain (Yeah, yeah)

But you dun know S to the P

When mi deh, haffi go take you pon a different plane

Can't contain all di loving weh mi got fi you, girl

Cah mi wan hear you call out mi name

And it's a shame dem wanna be your main

Baby girl, you know dem ah move too lame

And I know, yeah, I know

Many would like to be in my shoes

And I know, yeah, I know

With you, I got nothin' to lose

When I'm down, you can bring me up

Up-p-p, up-p-p, up-p-p, up-p-p

And when I'm hurt, you know I don't need much

You can use that magic touch

When I'm down, you can bring me up

Up-p-p, up-p-p, up-p-p, up-p-p

And when I'm hurt, you know I don't need much

You can use that magic touch

Yo, yo

Kissing and loving and such

Said she nah get enough

Said she wan turn it up

Bad man ah handle di biz

Give her it like a wiz

(You can use that magic touch)

Wit' a likkle bit ah Henny and ah dutch

Press gas, we nah grudge

Cah you dun know she want it rough

Tell you, seh mi handle di biz

Give her it like a wiz

(You can use that magic touch)
