## "Upside Down"

My grades are down from A's to D's

I'm way behind in history

I lost myself in fantasies

Of you and me together

I don't know why I-I but dreaming's all I do

I won't get by, I-I on mere imagination

Upside down

Bouncing Off the ceiling

Inside out

Stranger to this feeling

Got no clue what I should do

But I'll go crazy if I can't get next to you

My teacher says to concentrate

So what- his name was Peter the Great

The kings and queens will have to wait

Cause I don't have forever

I wish that I-I-I could walk right up to you

Each time I try I-I the same old hesitation

Upside down

Bouncing Off the ceiling

Inside out

Stranger to this feeling

Got no clue what I should do

But I'll go crazy if I can't get next to you

Somehow someday

You will love me too

One day will be the day when all my dreams come true

Upside down

Bouncing Off the ceiling

Inside out

Stranger to this feeling

Got no clue what I should do

But I go crazy if I can't get next to you
