"Want to Want Me"

It's too hard to sleep
I got the sheets on the floor
Nothing on me
And I can't take it no more
It's 100 degrees
I got one foot out the door
Where are my keys?
'Cause I gotta leave, yeah
In the back of the cab
I tip the driver 'head of time
Get me there fast
I got your body on my mind
I want it bad
Oh, just the thought of you
Gets me so high

So high

Girl, you're the one I want to want me

And if you want me, girl, you got me

There's nothing I, no, I wouldn't do, I wouldn't do

Just to get up next to you

Girl, you're the one I want to want me

And if you want me, girl, you got me

There's nothing I, no, I wouldn't do, I wouldn't do

Just to get up next to you (oh-oh-oh-oh-oh)

Just to get up next to you (oh-oh-oh-oh-oh)

You open the door

Wearing nothing but a smile

Down to the floor

And you whisper in my ear:

"Baby, I'm yours"

Oh, just the thought of you

Gets me so high

So high

Girl, you're the one I want to want me

And if you want me, girl, you got me

There's nothing I, no, I wouldn't do, I wouldn't do

Just to get up next to you

Girl, you're the one I want to want me

And if you want me, girl, you got me
There's nothing I, no, I wouldn't do, I wouldn't do
Just to get up next to you
Just to get up next to you
Oh, just the thought of you
Gets me so high
So high
Oh, just the thought of you, woah
Gets me so high
So high
Girl, you're the one I want to want me
And if you want me, girl, you got me
There's nothing I, no, I wouldn't do, I wouldn't do
Just to get up next to you
Girl, you're the one I want to want me
And if you want me, girl, you got me
There's nothing I, no, I wouldn't do, I wouldn't do
Just to get up next to you
