## "When We Were Young"

Everybody loves the things you do

From the way you talk

To the way you move

Everybody here is watching you

'Cause you feel like home

You're like a dream come true

But if by chance you're here alone

Can I have a moment?

Before I go?

'Cause I've been by myself all night long

Hoping you're someone I used to know

You look like a movie

You sound like a song

My God this reminds me, of when we were young

Let me photograph you in this light  
In case it is the last time  
That we might be exactly like we were  
Before we realized  
We were scared of getting old  
It made us restless  
It was just like a movie  
It was just like a song

I was so scared to face my fears  
Nobody told me that you'd be here  
And I'd swear you moved overseas  
That's what you said, when you left me

You still look like a movie  
You still sound like a song  
My God, this reminds me, of when we were young

Let me photograph you in this light  
In case it is the last time  
That we might be exactly like we were  
Before we realized

We were sad of getting old

It made us restless

It was just like a movie

It was just like a song

When we were young

(When we were young)

When we were young

(When we were young)

It's hard to win me back

Everything just takes me back

To when you were there

To when you were there

And a part of me keeps holding on

Just in case it hasn't gone

I guess I still care

Do you still care?

It was just like a movie

It was just like a song

My God, this reminds me  
Of when we were young

When we were young  
(When we were young)  
When we were young  
(When we were young)

Let me photograph you in this light  
In case it is the last time  
That we might be exactly like we were  
Before we realized  
We were sad of getting old

It made us restless  
Oh I'm so mad I'm getting old  
It makes me reckless

It was just like a movie  
It was just like a song  
When we were young
