"Whistle"

Baby, if we only got tonight
Then I wanna spend it by your side
If you wanna give love one last try
Just put your hand on your heart and whistle

Baby, if we only got tonight
Then I wanna spend it by your side
If you wanna give love one last try (try, try)
Just put your hand on your heart and whistle

And I'll come back to you

Whistle

Whistle

Just put your hand on your heart and whistle

Make it right, can I change your mind?
I'll do anything, give me one more try
I'll be there if you want me to

Give me one last chance to be there for you

Baby, if we only got tonight (tonight)

Then I wanna spend it by your side (by your side)

If you wanna give love one last try

Just put your hand on your heart and whistle

And I'll come back to you

Whistle

Whistle

Just put your hand on your heart and whistle

And I'll come back to you (just put your hand on your)

Hand on your heart, hand on your heart (whistle)

Hand on your, hand on your heart

Hand on your heart (whistle)

Hand on your, hand on your heart

Hand on your heart

Just put your hand on your heart and whistle

If you call me up, now, now, I'm runnin' back to you

If you want me now, now, now, I'll be there for you

If you call me up, now, now, runnin' back to you

If you want me now, now, now, I'll be there for you

Whistle

Whistle

Whistle

Just put your hand on your heart and whistle
Baby, if we only got tonight (tonight)
Then I wanna spend it by your side (by your side)
If you wanna give love one last try (one last try)
Just put your hand on your heart and whistle
And I'll come back to you
Just put your hand on your heart and whistle
(Hand on your heart) whistle, oh-yeah
(Hand on your, hand on your, hand on your heart)
Just put your hand on your heart and whistle
And I'll come back to you
