"Wildest Dreams"

He said, "Let's get out of this town
Drive out of the city, away from the crowds"

I thought Heaven can't help me now

Nothing lasts forever

But this is gonna take me down

He's so tall and handsome as hell

He's so bad, but he does it so well

I can see the end as it begins

My one condition is

Say you'll remember me

Standing in a nice dress

Staring at the sunset, babe

Red lips and rosy cheeks

Say you'll see me again

Even if it's just in your wildest dreams, ah-ah, ha

Wildest dreams, ah-ah, ha

I said, "No one has to know what we do"

His hands are in my hair, his clothes are in my room

And his voice is a familiar sound

Nothing lasts forever

But this is getting good now

He's so tall and handsome as hell

He's so bad, but he does it so well

And when we've had our very last kiss

My last request is

Say you'll remember me

Standing in a nice dress

Staring at the sunset, babe

Red lips and rosy cheeks

Say you'll see me again

Even if it's just in your wildest dreams, ah-ah, ha (ha-ah, ha)

Wildest dreams, ah-ah, ha

You'll see me in hindsight

Tangled up with you all night

Burning it down

Someday when you leave me

I bet these memories

Follow you around

You'll see me in hindsight

Tangled up with you all night

Burning (burning) it (it) down (down)

Someday when you leave me

I bet these memories

Follow (follow) you (you) around (follow you around)

Say you'll remember me

Standing in a nice dress

Staring at the sunset, babe

Red lips and rosy cheeks

Say you'll see me again

Even if it's just pretend

Say you'll remember me

Standing in a nice dress

Staring at the sunset, babe

Red lips and rosy cheeks

Say you'll see me again

Even if it's just (pretend, just pretend) in your wildest dreams, ah-ah, ha
(ah)

In your wildest dreams, ah-ah, ha

Even if it's just stayed in your wildest dreams, ah-ah, ha

In your wildest dreams, ah-ah, ha
