"Yellow"

Look at the stars

Look how they shine for you

And everything you do

Yeah, they were all yellow

I came along

I wrote a song for you

And all the things you do

And it was called Yellow

So then I took my turn

Oh, what a thing to have done

And it was all yellow

Your skin, oh yeah, your skin and bones

Turn into something beautiful

And you know, you know I love you so

You know I love you so

I swam across

I jumped across for you

Oh, what a thing to do
'Cause you were all yellow
I drew a line
I drew a line for you
Oh, what a thing to do
And it was all yellow
And your skin, oh yeah, your skin and bones
Turn into something beautiful
And you know, for you, I'd bleed myself dry
For you, I'd bleed myself dry
It's true
Look how they shine for you
Look how they shine for you
Look how they shine for
Look how they shine for you
Look how they shine for you
Look how they shine
Look at the stars
Look how they shine for you
And all the things that you do
