## "You Rock My World"

Darkchild, I like that

Oh, oh, oh

My life will never be the same

'Cause girl you came and changed

The way I walk

The way I talk

I cannot explain

These things I feel for you

But girl, you know it's true

Stay with me

Fulfill my dreams

And I'll be all you need

Feels so right (girl)

I've searched for the perfect love all my life

(All my life)

Oh, oh, oh, ooh, feels like I (like I)

Have finally found a perfect love this time (and I finally found)

Come on, girl

You rocked my world, you know you did

And everything I own I give

The rarest love who'd think I'd find

Someone like you to call mine

You rocked my world, you know you did

And everything I own I give

The rarest love who'd think I'd find

Someone like you to call mine

My mind

I knew that love would bring

Such happiness I'm in

I tried to keep my sanity

I've waited patiently

Girl, you know it seems

My life is so complete

A love that's true because of you

Keep doing what you do

Oh, oh, oh, oh, ooh, think that I

Finally found the perfect love I've searched for all my life (searched for all my life)

Oh, oh, oh, oh, ooh, who's think I'd find

Such a perfect love that's awesomely so right

Oh, oh, oh, girl

You rocked my world, you know you did (come on, come on, come on)

Everything I own I give

The rarest love who'd think I'd find (girl)

Someone like you to call mine

You rocked my world, you know you did

And everything I own I give (Girl)

The rarest love who'd think I'd find (Girl, girl)

Someone like you to call mine

You rocked my world, you know you did

And everything I own I give

The rarest love who'd think I'd find

Someone like you to call mine

You rocked my world, you know you did

And everything I own I give

The rarest love who'd think I'd find

Someone like you to call mine

And girl, I know that this is love

I felt the magic's all in the air

And girl, I'll never get enough

That's why I always have to have you here, woo!

You rocked my world, you know you did  
Everything I own I give (look what you did to me, baby)  
The rarest love who'd think I'd find  
Someone like you to call mine (you, you, you, you)  
You rocked my world, you know you did (know you did baby)  
And everything I own I give ('cause you rock my world)  
The rarest love who'd think I'd find  
Someone like you to call mine  
The way you talk to me  
The way you're loving me  
The way you, you give it to me  
(You rocked my world, you know you did)  
Yeah, yeah  
You, you, yeah, yeah, woo  
You rock my world  
You rock my world,  
You rock my world,  
Come on, girl,  
You rocked my world, you know you did  
And everything I own I give  
The rarest love who'd think I'd find  
Someone like you to call mine  
You rocked my world, you know you did

And everything I own I give  
The rarest love who'd think I'd find  
Someone like you to call mine
