"You Should Be Sad"

I wanna start this out and say

I gotta get it off my chest

Got no anger, got no malice

Just a little bit of regret

Know nobody else will tell you

So there's some things I gotta say

Gonna jot it down and then get it out

And then I'll be on my way

No, you're not half the man you think that you are

And you can't fill the hole inside of you with money, drugs and cars

I'm so glad I never ever had a baby with you

'Cause you can't love nothin' unless there's somethin' in it for you

Oh, I feel so sorry

I feel so sad

I tried to help you

It just made you mad

And I had no warnin'

About who you are
I'm just glad I made it out without breakin' down
And then ran so fuckin' far
That you would never ever touch me again
Won't see your alligator tears
'Cause, no, I've had enough of them
Let me start this off by sayin'
I really meant well from the start
Take a broken man right in my hands
And then put back all his parts
But you're not half the man you think that you are
And you can't fill the hole inside of you with money, girls and cars
I'm so glad I never ever had a baby with you
'Cause you can't love nothin' unless there's somethin' in it for you
Oh, I feel so sorry (I feel so sorry)
I feel so sad (I feel so sad)
I tried to help you (I tried to help you)
It just made you mad
And I had no warnin' (I had no warnin')
About who you are ('bout who you)
Just glad I made it out without breakin' down
Oh, I feel so sorry (I feel so sorry)
I feel so sad (I feel so sad)

I tried to help you (I tried to help you)

It just made you mad

And I had no warnin' (I had no)

About who you are ('bout who you)

'Bout who you are

Hey

Hey

Hey

Hey

'Cause you're not half the man you think that you are

And you can't fill the hole inside of you with money, drugs and cars

I'm so glad I never ever had a baby with you

'Cause you can't love nothin' unless there's somethin' in it for you

I feel so sad

You should be sad

You should be

You should be sad

You should be

You should be

You should be
