"deja vu"

Car rides to Malibu

Strawberry ice cream

One spoon for two

And trading jackets

Laughing 'bout how small it looks on you

(Ha-ha-ha-ha, ha-ha-ha-ha, ha-ha-ha-ha)

Watching reruns of Glee

Being annoying

Singing in harmony

I bet she's bragging

To all her friends, saying you're so unique, hmm

So when you gonna tell her

That we did that, too?

She thinks it's special

But it's all reused

That was our place, I found it first
I made the jokes you tell to her when she's with you

Do you get déjà vu when she's with you?

Do you get déjà vu? (Ah), hmm

Do you get déjà vu, huh?

Do you call her

Almost say my name?

'Cause let's be honest

We kinda do sound the same

Another actress

I hate to think that I was just your type

I'll bet that she knows Billy Joel

'Cause you played her "Uptown Girl"

You're singing it together

Now I bet you even tell her

How you love her

In between the chorus and the verse (ooh) (I love you)

So when you gonna tell her

That we did that, too?

She thinks it's special
But it's all reused
That was the show we talked about
Played you the song she's singing now when she's with you

Do you get déjà vu when she's with you?

Do you get déjà vu? Oh

Do you get déjà vu?

Strawberry ice cream in Malibu
Don't act like we didn't do that shit, too
You're trading jackets like we used to do
(Yeah, everything is all reused)
Play her piano, but she doesn't know (oh, oh)
That I was the one who taught you Billy Joel (oh)
A different girl now, but there's nothing new
(I know you get déjà vu)
