"American Honey"

She grew up on a side of the road
Where the church bells ring and strong love grows

She grew up good

She grew up slow

Like American honey

Steady as a preacher

Free as a weed

Couldn't wait to get goin'

But wasn't quite ready to leave

So innocent, pure and sweet

American honey

There's a wild, wild whisper

Blowin' in the wind

Callin' out my name like a long lost friend

Oh I miss those days as the years go by

Oh nothing's sweeter than summertime

And American honey

Get caught in the race

Of this crazy life

Tryin' to be everything can make you lose your mind

I just wanna go back in time

To American honey, yea

There's a wild, wild whisper

Blowin' in the wind

Callin' out my name like a long lost friend

Oh I miss those days as the years go by

Oh nothing's sweeter than summertime

And American honey

Gone for so long now

I gotta get back to her somehow

To American honey

Ooo there's a wild, wild whisper

Blowin' in the wind

Callin' out my name like a long lost friend

Oh I miss those days as the years go by

Oh nothin's sweeter than summertime

And American honey

And American honey
