"Best I Ever Had"

You know a lot of girls be

Thinkin' my songs are about them, but

This is not to get confused

This one's for you

Baby, you my everything, you all I ever wanted

We could do it real big, bigger than you ever done it

You be up on everything, other hoes ain't ever on it

I want this forever, I swear, I can spend whatever on it

'Cause she hold me down every time I hit her up

When I get right, I promise that we gon' live it up

She made me beg for it 'til she give it up

And I say the same thing every single time

I say you the fuckin' best (ayy)

You the fuckin' best (ayy)

You the fuckin' best (ayy)

You the fuckin' best (ayy)

You the best I ever had (ayy)

Best I ever had (ayy)

Best I ever had (ayy)

Best I ever had

I say you the fuckin'

Know you got a roommate

Call me when there's no one there

Put the key under the mat and you know I'll be over there (yeah)

I'll be over there, Shorty, I'll be over there

I'll be hittin' all the spots that you ain't even know was there

Ha, and you don't even have to ask twice

You could have my heart or we can share it like the last slice

Always felt like you was so accustomed to the fast life

Have a nigga thinkin' that he met you in a past life

Sweatpants, hair tied, chillin' with no make-up on

That's when you're the prettiest, I hope that you don't take it wrong

You don't even trip when friends say, "You ain't bringin' Drake along?"

You know that I'm workin', I'll be there soon as I make it home

And she a patient in my waitin' room

Never pay attention to the rumors and what they assume

And until them girls prove it

I'm the one that never get confused with, 'cause

Baby, you my everything, you all I ever wanted

We could do it real big, bigger than you ever done it

You be up on everything, other hoes ain't ever on it
I want this forever, I swear, I can spend whatever on it
'Cause she hold me down, every time I hit her up
When I get right, I promise that we gon' live it up
She made me beg for it 'til she give it up
And I say the same thing every single time
I say you the fuckin' best (ayy)
You the fuckin' best (ayy)
You the fuckin' best (ayy)
You the fuckin' best (ayy)
You the best I ever had (ayy)
Best I ever had (ayy)
Best I ever had (ayy)
Best I ever had (ayy)
I say you the fuckin'
Sex, love, pain, baby I be on that Tank shit
Buzz so big I could probably sell a blank disc
When my album drop, bitches'll buy it for the picture
And niggas'll buy it too and claim they got it for their sister
Magazine, paper girl, but money ain't the issue
They bring dinner to my room and ask me to initial
She call me "The Referee" 'cause I be so official
My shirt ain't got no stripes but I can make your pussy whistle

Like the Andy Griffith theme song
And who told you to put them jeans on?
Double cup love, you the one I lean on
Feelin' for a fix, then you should really get your fiend on
Yeah, just know my condo is the crack spot
Every single show she out there reppin' like a mascot
Get it from the back and make your fuckin' bra strap pop
All up in your slot 'til a nigga hit the jackpot, I'm sayin'
Baby, you my everything, you all I ever wanted
We could do it real big, bigger than you ever done it
You be up on everything, other hoes ain't ever on it
I want this forever, I swear, I can spend whatever on it
'Cause she hold me down, every time I hit her up
When I get right, I promise that we gon' live it up
She made me beg for it 'til she give it up
And I say the same thing every single time
I say you the fuckin' best (ayy)
You the fuckin' best (ayy)
You the fuckin' best (ayy)
You the fuckin' best (ayy)
You the best I ever had (ayy)
Best I ever had (ayy)
Best I ever had (ayy)

Best I ever had (ayy)

I say you the fuckin' best (ayy)

You the fuckin' best (ayy)

You the fuckin' best (ayy)

You the fuckin' best (ayy)

You the best I ever had (ayy)

Best I ever had (ayy)

Best I ever had (ayy)

Best I ever had

Uh

Oh, yeah

See, this the type of joint you got to dedicate to somebody

Just make sure they that special somebody, ha

Young Money

Yeah

Yeah

You know who you are

I got you
