"Brokenhearted"

Oh, yeah

Uh, c'mon, yeah

This is more than the typical kinda thing

Felt a jones in my bones when you were touching me

Uh-oh, didn't wanna take it slow

In a daze, goin' craze, I can barely think

You're replayin' in my brain, find it hard to sleep

Oh-oh, waitin' for my phone to blow

Uh-oh, yup

Now I'm here in a sticky situation

Got a bit of trouble, yup, and now I'm pacin'

Five minutes, ten minutes, now it's been an hour

I don't wanna think too hard, but I'm sour

Oh-oh, I can't seem to let you go

See, I've been waitin' all day for you to call me, baby

So let's get up, let's get on it

Don't you leave me brokenhearted tonight

Come on, that's right

Honest, baby, I'll do anything you want to

So can we finish what we started?

Don't you leave me brokenhearted tonight

Come on, that's right, cheerio

What's the time? Such a crime, not a single word

Sippin' on that Patrón, just to calm my nerves

Oh-oh, poppin' bottles by the phone, oh yeah

Had me up, had me down, turned me inside out

That's enough, call me up, baby, I'm in doubt

Uh-oh, and I don't even think you know

No, no, no

See, I've been waitin' all day for you to call me, baby

So let's get up, let's get on it

Don't you leave me brokenhearted tonight

Come on, that's right

Honest, baby, I'll do anything you want to

So can we finish what we started?

Don't you leave me brokenhearted tonight

Come on, that's right, cheerio, ay

Anything you wanna do, I'll be on it too

Everything you said, is like gold with a view

Business in the front, party in the back

Maybe I was wrong, was the outfit really wack?

This kinda thing doesn't happen usually

I'm on the opposite side of it, truthfully

I know you want it, so come and get it

Cheerio

See, I've been waitin' all day, for you to call me, baby (yeah, yeah, yeah)

So let's get up, let's get on it

Don't you leave me brokenhearted tonight (oh-oh-woah-oh, yeah)

Honest, baby, I'll do anything you want to (thing that you want)

So can we finish what we started?

Don't you leave me brokenhearted tonight

Come on, that's right! Cheeri-cheerio, uh

When you gonna call?

Don't leave me brokenhearted

I've been waiting up, let's finish what we started

Oh, oh, I can't seem to let you go

Come on, that's right, cheerio, uh
