"Club Can't Handle Me"

You know I know how

To make 'em stop and stare as I zone out

The club can't even handle me right now

Watchin' you watchin' me I go all out

The club can't even handle me right now

The club can't even handle me right now

Hey

I own the night and I don't need no help

Gotta be the feeling that Scarface player

Stuntin' go wild can't handle this plan

Life of the club arrogant like, yeah

Top like money all the girls just melt

Want so many all know me like Twelve

Look like cash and they all just stare

Bottles, Models, standin' on chairs

Fall out cause that's the business

All out it's so ridiculous

Zone out so much attention

Scream out I'm in the building (hey)

They watchin' I know this

I'm rockin' I'm rolling

I'm holding, I know it

You know it

You know I know how

To make 'em stop and stare as I zone out

The club can't even handle me right now

Watchin' you watchin' me I go all out

The club can't even handle me right now

The club can't even handle me right now

Hey

Still feelin' myself I'm like outta control

Can't stop now more shots lets go

Ten more rounds can I get a K-O

Paparazzi trying to make me pose

Came to party 'til I can no more

Celebrate cause that's all I know

Tip the groupies takin' off their clothes

Grand finale' like Super Bowl

Go hard run the show

That's right wild out got money to blow

More lights more ice when I walk in the door

No hype I do it big all over the globe

Yeah!

I said it

Go tell it

Confetti

Who ready?

I'm ready

You ready?

Let's get it

You know I know how

To make 'em stop and stare as I zone out

The club can't even handle me right now

Watchin' you watchin' me I go all out

The club can't even handle me right now

(Put your hands up)

(Put your hands up)

(Put your hands up)

The club can't even handle me right now

(Put your hands up)

(Put your hands up)

(Put your hands up)

You got me watchin' now (hey)

Got my attention now (hey)

Got everybody in the club wanting to know now

I am a ladies man

Come be my lady and

We can ball, so, ah

Bring ya body here let me switch up your atmosphere

Take you out of this club and in my new Lear

Fly you all around the world

What you want, baby girl

Are you ready to go now

You know I know how

To make 'em stop and stare as I zone out

The club can't even handle me right now

Watchin' you watchin' me I go all out

The club can't even handle me right now

(Put your hands up)

(Put your hands up)

(Put your hands up)

The club can't even handle me right now

(Put your hands up)

Let's celebrate now

(Put your hands up)

You know who shut it down
