## "Dangerous"

Girl, I can't notice but to  
Notice you, noticin' me  
From across the room, I can see it  
And can't stop myself from lookin'  
And noticin' you, noticin' me  
Watch out, I've seen her type before  
That girl is so dangerous  
That girl is so dangerous  
That girl is a bad girl  
I've seen her type before  
She's so dangerous  
That girl is so dangerous  
That girl is a bad girl, yeah  
Whoa! And yeah, that's her  
The big dog tryna get her little kitty to purr  
Ex-man lookin' at me like I'm Lucifer  
'Cause he knows I will deal with the case, yes sir

If I was the last man on Earth  
I would only take that girl, end of search  
She give a new definition to the word curve  
Got chicks in the strip club envyin' her  
Body's like weapons of mass eruptions  
Sit a glass on that fat obstruction  
Tongue game give a new type seduction  
I'm tryna give that girl somethin', Jah  
Girl, I can't notice but to  
Notice you, noticin' me  
From across the room, I can see it  
And can't stop myself from lookin'  
And noticin' you, noticin' me  
Watch out, I've seen her type before  
That girl is so dangerous  
That girl is so dangerous  
That girl is a bad girl  
I've seen her type before  
She's so dangerous  
That girl is so dangerous  
That girl is a bad girl, yeah  
Whoa! Bad to the bone  
Everything locked like a two-three zone

I wanted to make my black snake moan  
Talk a likkle bit, then take that home (word)  
She bad and she know the deal  
That sweater can't hide what she wanna conceal  
I mean, Meagan Good and Halle Berry  
Put together, ain't close to the dribby I see  
No, no, no disrespect  
But this gyal deh pon another level, cut the check (uh)  
Tell King mag, stop the press  
Say K, can I get a witness?  
Girl, I can't notice but to  
Notice you, noticin' me  
From across the room, I can see it  
And can't stop myself from lookin'  
And noticin' you, noticin' me  
Watch out, I've seen her type before  
That girl is so dangerous  
That girl is so dangerous  
That girl is a bad girl  
I've seen her type before  
She's so dangerous  
That girl is so dangerous  
That girl is a bad girl, yeah

I see you got that fire  
By the way that you're walkin' (walkin')  
From left to right I watched her go down  
Girl, I just want it right now  
Don't wanna do no talkin' (talkin')  
Shorty's so right I need to slow down  
Figure eight, good body shape (yeah)  
When she on the dance floor, gyal dem irate  
When she do her ting, man can't walk straight  
That biscuit fi soak up everyting' on her plate  
Bad heels like Jessica P  
I'm tryna give homegirl Sex in the City-titty  
Itty bitty waistline, moves with the baseline  
One likkle punch, I'm fine, Jah  
Girl, I can't notice but to  
Notice you, noticin' me  
From across the room, I can see it  
And can't stop myself from lookin'  
And noticin' you, noticin' me  
Watch out, I've seen her type before  
That girl is so dangerous  
That girl is so dangerous  
That girl is a bad girl

I've seen her type before

She's so dangerous

That girl is so dangerous

That girl is a bad girl, yeah
