"EveryGirl In The World"

Tha Biz—Tha Bizness—

Uh, I like a long-haired, thick redbone

Open up her legs, then filet mignon that pussy

I'ma get in and on that pussy

If she let me in, I'ma own that pussy

Go on, throw it back and bust it open like you 'posed to

Girl I got that dope dick, now come here let me dope you

You gon' be a dope fiend, your friends should call you Dopey

Tell 'em keep my name out they mouth if they don't know me

Hah, but you can call me Tunechi

I'll fuck the whole group, baby, I'm a groupie

My sex game is stupid, my head is the dumbest

I promise, I should be hooked on Phonics

Hah, but anyway, I think you're bionic

And I don't think you're beautiful, I think you're beyond it

And I just wanna get behind it and watch you

'Cause we like her, and we like her, too

And we like her, and we like her, too

And we like her, and we like her, too

And we like her, and she like us, too, and oh

I wish I could fuck every girl in the world

I wish I could fuck every girl in the world

I wish I could fuck every girl in the world

Oh-oh-oh

She be jumpin' up and down, tryna fit that ass in

Took her half an hour just to get that belt to fasten

All they wanna talk about is partyin' and fashion

Every single night I have a dream that I am smashin' them all

Young Money man, this shit so timeless

And I'm in the mood to get faded, so please bring your finest

And what are all your names, again? We drunk, remind us

Are any of y'all into girls like I am? Let's be honest

She wants me, she wants me

'Cause I got it all, shorty, tell me what you don't see?

I will fuck with all y'all, all of ya'll are beautiful

I just can't pick one, so you can never say I'm choosy hoes

And Wayne say, "Pussy, pussy, pussy"

And weed and alcohol seem to satisfy us all
Damn, and every time I think of staying with her
She bring that friend around and make a nigga reconsider

'Cause we like her, and we like her, too

We like her, and we like her, too

We like her, and we like her, too

And we like her, and she like us, too, and oh

I wish I could fuck every girl in the world

I wish I could fuck every girl in the world

I wish I could fuck every girl in the world

Oh-oh-oh

I ain't being disrespectful, baby, I'm just bein' Millz

And I don't know how fake feels, so I gotta keep it real

I just want to fuck every girl in the world

Every model, every singer, every actress, every diva

Every high saditty chick, every college girl, every skeezer

Stripper and every desperate housewife that resemble Eva

My role model was Wilt, some married women or MILF

It don't matter who you is, miss, you can get the business, ha

These hoes is God's gift like Christmas

I like 'em caramel skin, long hair, thick ass

And I swear I'm feelin' all of y'all

I'm scrollin' down my call log, and I'mma call all of y'all

My butter pecan Puerto Rican

She screamin' out "papi" every time a nigga deep in

And I'm about to get my Bill Clinton on

And Hillary can Rodham too, boy, I gets my pimpin' on

'Cause we like her, and we like her, too

We like her, and we like her, too

We like her, and we like her, too

And we like her, and she like us, too, and oh

I wish I could fuck every girl in the world

I wish I could fuck every girl in the world

I wish I could fuck every girl in the world

Oh-oh-oh

I wish I could fuck every girl in the world

I wish I could fuck every girl in the world

I wish I could fuck every girl in the world

I wish I could fuck every girl in the world

I wish I could (hey) fuck every girl in the world

I wish I could (hey) fuck every girl in the world

I wish I could (hey) fuck every girl in the world

Sanaa Lathan, Meagan Good

Angelina Jolie (hah), D. Woods

For free suites, I'd give Paris Hilton all-nighters

In about three years, holla at me Miley Cyrus

I don't discriminate, no, not at all
Kit-Kat a midget, if that ass soft, I'll break her off
I exchange V-cards with the retards
And get behind a Christian like Dior, 'cause he are
Mack Mizzle... baby
'Cause he are Mack Mizzle, baby
And I wish I could fuck every girl in the world
I wish I could fuck every girl in the world
I wish I could fuck every girl in the world
I wish I could fuck every girl in the world
I wish I could fuck every girl in the world
Young Mula, baby.
