"Everybody Talks"

Hey baby, won't you look my way?

I can be your new addiction

Hey baby, what you gotta say?

All you're giving me is fiction

I'm a sorry sucker and this happens all the time

I found out that everybody talks

Everybody talks, everybody talks

It started with a whisper

And that was when I kissed her

And then she made my lips hurt

I could hear the chit chat

Take me to your love shack

Mama's always gotta back track

When everybody talks back

Hey honey, you could be my drug

You could be my new prescription

Too much could be an overdose

All this trash talk make me itchin'

Oh my, my shit

Everybody talks, everybody talks

Everybody talks, too much

It started with a whisper

And that was when I kissed her

And then she made my lips hurt

I could hear the chit chat

Take me to your love shack

Mama's always gotta back track

When everybody talks back

Never thought I'd live

To see the day

When everybody's words got in the way

Hey

Hey sugar, show me all your love

All you're giving me is friction

Hey sugar, what you gotta say?

It started with a whisper

And that was when I kissed her

And then she made my lips hurt

I could hear the chit chat

Take me to your love shack

Mama's always gotta back track

When everybody talks back

Everybody talks

Everybody talks

Everybody talks

Everybody talks

Everybody talks

Everybody talks, back

It started with a whisper (everybody talks, everybody talks)

And that was when I kissed her (everybody talks, everybody talks)

Everybody talks

Everybody talks, back
