## "GDFR"

I know what you came here to see  
If you a freak, then you comin' home with me  
And I know what you came here to do  
Now bust it open, let me see you get low  
It's going down for real  
It's going down for real  
It's going down for real  
Your girl just kissed a girl, I do bi (chicks)  
Shake for a Sheikh, I'm throwing these Emirates in the sky  
Spendin' this as-salamu alaykum, peace to M.O.N.E.Y  
I love my beaches, south beaches, surfboard and high tide  
I could just roll up 'cause I'm swole up  
So that birthday cake get a cobra  
Buggati for real, I'm cold, bruh  
That Autobiography Rover

Got the key to my city, it's over  
It's no thots, only Anna Kournikovas  
I set records, ratchets hol' up (I said rackets, ratchets hol' up)  
I know what you came here to see  
If you a freak, then you comin' home with me  
And I know what you came here to do  
Now bust it open, let me see you get low  
It's going down for real  
It's going down for real (and they already know me)  
It's going down for real  
It's going down further than femurs, girls get wetter than Katrina  
Yeah, my girl you never seen her 'cause my tints by limousines  
My touch say it's the Midas  
We the plus, your man the minus  
My team blowing on that slam  
Make you cough-cough, that's bronchitis  
Put your hands up, uh  
It's a stick up, no more makeup  
Get that ass on the floor, ladies put your lipstick up  
Double entendre, double entendre  
While you're hating I get money  
Then I double up tonkers  
I know what you came here to see

If you a freak, then you comin' home with me

And I know what you came here to do

Now bust it open, let me see you get low

It's going down for real

It's going down for real

It's going down for real

It's going down for real

It's going down for real

Lift it, drop it, shake it, pop it

Lift it, drop it, shake it, pop it

Lift it, drop it, shake it, pop it

Lift it, drop it, shake it

It's going down for real

It's going down for real

It's going down for real

It's going down for real

It's going down for real
