"Get Like Me"

Have you ever seen a Chevy with the butterfly doors?

, get like me

Have you ever seen a Chevy with the, get-get like me

Have you ever seen a Chevy with the, get like me

Have you ever seen a Chevy with the butterfly doors?

(Stuntin'-stuntin' is a habit), put it in the air

(Stuntin'-stuntin' is a habit), put it in the air

(Stuntin'-stuntin' is a habit), put it in the air

Have you ever seen a Chevy with the butterfly doors?

(Stuntin'-stuntin' is a habit)

I got a chip in my engine, twenty-six inch rims

I got fadeaway money, bitch, I'm ballin' out the gym

Got my old school pumpin', hip wheel on recline

If you think a nigga broke you out'cha monkey-ass mind (yeah)

Diamonds on my pinky (yeah), hand on the pine

Bitch touch and now your mama do the second line

Screens fallin' from the sky, syrup fallin' in my cup

Old school Chevy thang, comin down, nigga, what?
Got diamonds in my mouth, got some Gucci on my seat
Got G's on my ass, bitch, it's cold when I speak
Got a freak on my arm, got a charm around my neck
You can gon' pass the mic, watch I'm 'bout to catch wreck
Still screamin' out mayne, pistol in my hand
Southside so throwed (throwed in the game)
Big face on my chain, "84's on the frame
Big bodies comin' down, hoggin' up both lanes
, get like me

Have you ever seen a Chevy with the, get-get like me

Have you ever seen a Chevy with the, get like me

Have you ever seen a Chevy with the butterfly doors?

(Stuntin'-stuntin' is a habit), put it in the air

(Stuntin'-stuntin' is a habit), put it in the air

(Stuntin'-stuntin' is a habit), put it in the air

Have you ever seen a Chevy with the butterfly doors?

(Stuntin'-stuntin' is a habit)

The name you know of

A little bit of change, now your boy done blown up

And I'm throwin' thangs with the guts exposed

Stuntin' ain't a thing to me

And it's obvious, it's plain to see

That you gon' make us both
Get into some things that is for grown folks
And they might even say you should leave me alone
But don't be scared, you need to get like me
Stuntin' is a habit, just gotta have it
Shorty can throw anythang at me I'm gonna bag it
Know she see the karats, a real Jessica Rabbit
Can't another boy do the things you like
He ain't your type to change your life
But if you did your homework, girl
I'm pretty sure you know what I got
Drop top, and you know Jones and Banner gonna roll
Let me stop
, get like me
Have you ever seen a Chevy with the, get-get like me
Have you ever seen a Chevy with the, get like me
Have you ever seen a Chevy with the butterfly doors?
(Stuntin'-stuntin' is a habit), put it in the air
(Stuntin'-stuntin' is a habit), put it in the air
(Stuntin'-stuntin' is a habit), put it in the air
Have you ever seen a Chevy with the butterfly doors? (Yeah)
(Stuntin'-stuntin' is a habit)
Let them bougie boys ride Maybach

I'm in the candy laid back like I slang crack

My money stack to the ceilin'

Gettin in my Chevy's like climbin' up a buildin', them "28's on deck

Thirty-seven on my wrist, a hundred five on my neck

This rap money's okay but you should see these movie checks

And this cartoon cash, the SS so sweet

My Bentley's hatin' on that ass, my old school's gettin' pissed

She opened up her arm but then she slit both wrists

There go the suicide doors (doors), wood on the dash

Ferris wheels on the toes, it got duals on the ass

And some chrome on the nose, the white boys go, "Sweet!"

But black folks go, "Ohh" I got a 'Llac full of ammo

I'm brick with the nine, throwin' bombs out the Lambo'

The butterflies goin' up

I got Chad in my heart and DJ Screw in my cup

, get like me

Have you ever seen a Chevy with the, get-get like me

Have you ever seen a Chevy with the, get like me

Have you ever seen a Chevy with the butterfly doors?

(Stuntin'-stuntin' is a habit), put it in the air

(Stuntin'-stuntin' is a habit), put it in the air

(Stuntin'-stuntin' is a habit), put it in the air

Have you ever seen a Chevy with the butterfly doors?

(Stuntin'-stuntin' is a habit)
