## "I Will Wait"

Well I came home

Like a stone

And I fell heavy into your arms

These days of dust

Which we've known

Will blow away with this new sun

But I'll kneel down

Wait for now

And I'll kneel down

Know my ground

And I will wait, I will wait for you

And I will wait, I will wait for you

So break my step

And relent

You forgave and I won't forget

Know what we've seen

And him with less

Now in some way

Shake the excess

'Cause I will wait, I will wait for you

And I will wait, I will wait for you

And I will wait, I will wait for you

And I will wait, I will wait for you

Now I'll be bold

As well as strong

And use my head alongside my heart

So take my flesh

And fix my eyes

A tethered mind free from the lies

And I'll kneel down

Wait for now

I'll kneel down

Know my ground, woo

Raise my hands

Paint my spirit gold

And bow my head

Keep my heart slow

'Cause I will wait, I will wait for you

And I will wait, I will wait for you

And I will wait, I will wait for you

And I will wait, I will wait for you
