## "Ice Cream Paint Job"

Huh-huh, yo Mister D-O-Double-R

I say

Yea buddy!

Rollin' like a big shot

Chevy tuned up like a NASCAR pit stop

Fresh paint job (check)

Fresh inside (check)

Is the outside frame in the trunk wide? (Yes)

Are the rims big? (What)

Do it ride good? (Good)

Lean back right hand on the pinewood

Cream on the inside

Clean on the outside

Cream on the inside

Clean on the outside

Ice, ice cream, ice cream paint job

Whoa!

Clean on the outside, cream on the inside, ice cream paint job (paint job)

Got screens on the dash, watchin' Saved By The Bell, got a house by the  
Bayside (Bayside)

Yea I'm livin' like that (like that), and I'm ridin' like that (like that)

Boy I'm ridin' like that and the stirring wheel wood like a baseball bat (like  
that)

Just like Archie said, we ready (ready)

Whole clique's straight, lunatics like Nelly (Nelly)

Gran Marquis paint job, grape jelly, R Triple BC, big black box Chevy (Chevy)

Crank my car (car), she be hummin' (hummin'), rims so big, you can see me  
comin' (comin')

I'm live (I'm live) like a Superbowl kickoff

My slab got a lot of niggas pissed off

Yeah paint shine like lip gloss, Cadillac got a wide body like Rick Ross

Took time but my cash got right

If I want it, I'mma buy it, I don't ask no price

Rearview mirror, jumbo dice

Trunk hit hard like Kimbo Slice

Be around tint, no window light

Car ride smooth so the rims on right

That right thurr, see, see I like  
Got the top notch slab for the dirt-cheap price  
Press one button, car automatic start  
Stand too close, car alarm might bark (like what?)

A, ARGH, like Q-Dawgs

Prime Time Clique makin' moves like U-Haul

I ride with a towel 'cause the candy paint wet

Rims on the ride got these niggas upset

Rims sitin' high so I ride upset

6 12's in the trunk 4 screens in the deck

I ride with a towel 'cause the candy paint wet

Rims on the ride got these niggas upset

Rims sitin' high so I ride upset

6 12's in the trunk 4 screens in the deck

I ride, I ride, I ride, I ride, I ride, I ride, let's ride

I ride, propped up, I ride, propped up, I ride, say bro, let's ride, let's ride

I got a, fresh paint job, (check)
