"It's Yours"

Claim what's yours

Follow in his footsteps

Loathe as one

Carved into their foreheads

Worship this primal sin

Exhausted, I'm craving more

Incessant, it's pulled me in

Screaming, "It's yours, it's yours"

It's yours

Do you remember me?

Will you ever see

What you'll do to them?

What you've done to me?

Follow in order

Do all you can for them

Follow the order

Do all you can

I am unstoppable

I am untouchable

Addicted to this primal sin

Impatient it's sinking in

That feeling I've felt before

I want more, I want more

Do you remember me?

Will you ever see

What you'll do to them?

What you've done to me?

Follow in order

Do all you can for them

Follow the order

Do all you can (and nothing more)

I am the chosen

This is your way

You are misguided

Rue your last day

Loathe as one

Loathe as one
