## "Knock You Down"

Uh-huh, not again

Oh, this ain't supposed to happen to me

Keep rockin', and keep knockin'

Whether you Louboutin it up or Reebokin'

You see the hate, that they servin' on a platter

So what we gon' have, dessert or disaster?

I never thought I'd be in love like this

When I look at you my mind goes on a trip

Then you came in and knocked me on my face

Feels like I'm in a race

But I already won first place

I never thought I'd fall for you as hard as I did

(As hard as I did, yeah)

You got me thinking 'bout our life, our house and kids (yeah)

Every morning I look at you and smile

'Cause boy you came around, and you knocked me down, knocked me down

Sometimes love comes around

And it knocks you down

Just get back up

When it knocks you down

Knocks you down

Sometimes love comes around

And it knocks you down

Just get back up

When it knocks you down

Knocks you down

I never thought I'd hear myself say (ooh)

Y'all go ahead

I think I'm gonna kick it with my girl today (kick it with my girl today)

I used to be commander and chief of my pimp ship flyin' high (flyin' high)

'Til I met this pretty little missile who shot me out the sky

(Oh, shot me out the sky)

Hate to know I'm crashing, I don't know how it happened

But I know it feels so damn good

Said if I could go back, and make it happen faster

Don't you know I would, baby if I could?

Miss independent to the fullest

The load never to much, she helping me pull it

She shot the bullet that ended that life (oh)

I swear to you the pimp in me just died tonight, girl

Sometimes love (love comes around, love comes around)

Oh, it comes around

And it knocks you down

Just get back up

When it knocks you down (oh, when it knocks you down)

Sometimes love comes around (ooh, yeah, comes around, yeah)

And it knocks you down

Just get back up

When it knocks you down

Knocks you down (ooh, when it knocks you down, knocks you down)

Tell me now can you make it past your Caspers?

So we can finally fly off into NASA

You was always the cheerleader of my dreams

That seemed to only date the head of football teams

And I was the class clown that, always kept you laughin'

We, were never meant to be, baby we just happened

So please, don't mess up the trick

Hey, young world, I'm the new Slick Rick

They say I move too quick, but we can't let the moment pass us

Let the hourglass pass right into ashes

Let the wind blow the ash right before my glasses

So I wrote this love letter right before my classes

How could a goddess ask someone that's only average for advice

O.M.G, you listen to that, bitch?

What was me?

Baby, this is tragic

'Cause we had it, we was magic

I was flyin', now I'm crashin'

This is bad, real bad, Michael Jackson

Now I'm mad, real mad, Joe Jackson

You should leave your boyfriend now, I'ma ask him

Say you gotta take the good with the bad, happy and the sad

But when you bring a better future than I had in the past

Oh, 'cause I don't wanna make the same mistakes I did

I don't wanna fall back on my face again

(Whoa, whoa)

I'll admit it, I was scared to answer love's call

(Whoa, whoa)

And if it hits, better make it worth the fall

Sometimes love comes around (oh, when it comes around)

(Comes around)

And it knocks you down

Just get back up

When it knocks you down, knocks you down (you'd be good when it knocks  
you down)

Sometimes love comes around (when love comes around0

(When love comes around) and it knocks you down

Just get back up

When it knocks you down

Knocks you down (when it knocks you down, knocks you down)

Won't see it coming when it happens

But when it happens you're gonna feel it, let me tell you now

See when love come and knocks you down (oh)

(Oh, when it knocks you down)

Won't see it coming when it happens

But when it happens you're gonna feel it, let me tell you now

See when love comes and knocks you down (yeah)
