"Let Her Go"

Well, you only need the light when it's burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're feeling low
Only hate the road when you're missing home
Only know you love her when you let her go
And you let her go
Staring at the bottom of your glass
Hoping one day you'll make a dream last
But dreams come slow, and they go so fast
You see her when you close your eyes
Maybe one day, you'll understand why
Everything you touch surely dies
But you only need the light when it's burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're feeling low

Only hate the road when you're missing home

Only know you love her when you let her go

Staring at the ceiling in the dark

Same old empty feeling in your heart

'Cause love comes slow, and it goes so fast

Well, you see her when you fall asleep

But never to touch and never to keep

'Cause you loved her too much, and you dived too deep

Well, you only need the light when it's burning low

Only miss the sun when it starts to snow

Only know you love her when you let her go

Only know you've been high when you're feeling low

Only hate the road when you're missing home

Only know you love her when you let her go

And you let her go

Oh, oh, mm, oh

And you let her go

Oh, oh, uh, uh

Well, you let her go

'Cause you only need the light when it's burning low

Only miss the sun when it starts to snow

Only know you love her when you let her go

Only know you've been high when you're feeling low

Only hate the road when you're missing home
Only know you love her when you let her go
'Cause you only need the light when it's burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're feeling low
Only hate the road when you're missing home
Only know you love her when you let her go
And you let her go
